Dear fellow motoring enthusiasts,

On behalf of the Yass Antique Motor Club, I would like to invite you to **Classic Yass**, which will be held on Saturday November 4th, 2017. Entries are invited for pre 1980 vehicles, including cars, motor cycles, commercials, historic racing cars and 'Old School' (using pre 1970 components) Hot-rods. Parking arrangements for each vehicle will be worked out prior to the day so all entrants are required to complete and return the enclosed Entry Form for each vehicle at your earliest convenience; it will assist us greatly if all entries don't arrive at the last minute! You will receive final instructions and details the week before the event.

During the main part of the event on Saturday in Banjo Paterson Park, while you stroll amongst our "Motor Show" style display of heritage vehicles, we will again be featuring the fabulous Sydney band "**The Hips**" (with Rockpile Jones and Paul McCann of Ol' 55 fame) to entertain you throughout the morning and early afternoon. As in previous years, entry is free for entrants who complete and return their entry form before the closing date. We are however seeking your help this year, and we ask that entrants would consider purchasing \$20 worth of tickets in our annual raffle. Your support would greatly assist us meeting the ongoing expense of hosting such a premium event.

This year sees the running of the 8th **Rotary Billy Cart Derby** in conjunction with our display. Following the amazing success of this event over the years, we are expecting a bigger than ever field of Billy Carts in many shapes and sizes!

Vintage fashion will again be a big part of Classic Yass, and is being well promoted. We expect many of the general public that come to the event to be wearing vintage fashion. We would like to urge all drivers and passengers of vehicles to dress in period costume to go with their vehicle, this will not only put you in the running for the major prize, but more importantly, it adds to the heritage atmosphere of the day.

Morning tea again will be served in the Memorial Hall adjoining Banjo Paterson Park where there will also be Art, Craft and Hobby displays hosted by the Yass Masons. The Rotary Farmers Market and Scouts Markets will also be in the vicinity. At lunch time we would love you to be involved in the vintage fashion parade, with lots of great prizes to be presented. Bring your own picnic or partake in the B-B-Q and Food Stalls that will be available at lunch time or enjoy a meal at one of the many Cafes, pubs or Soldiers Club in the centre of Yass.

For those wishing to make a full weekend of the event, on Saturday night we have a '**Sergeant Peppers Dance Party**' at the Yass Soldiers Club with music again from "The Hips". Entry is \$10 per person pre booked during Classic Yass on Saturday or \$15 at the door with profits going to our wonderful local charity, CanAssist. On Sunday, you can explore our local wineries.

Entries for this year's event close with last mail on Friday 13 October.

Details and entry forms for Classic Yass and the Rotary Billy Cart Derby are available on our Classic Yass website at: www.classicyass.com

We look forward to welcoming you on November 4th!

Greg Snape.

President
Yass Antique Motor Club

Note:

It would greatly assist us if you could advise of any change to your club or personal contact details, especially an updated email addresses at: k.laurent@bigpond.com
