

Council of ACT Motor Clubs

For Canberra and regional car clubs attending Shannons Wheels 2017

The organising committee of the Shannons Wheels 2017 have decided to award three trophies at this year's event.

Car clubs and individuals will be in the running to be awarded the 'the car I would most like to take home' and the best club display.

A third trophy will be awarded to the 'best Ford' on display.

The selection of the trophy winners will be in the opinion of the special guest at the display and not on concours de elegance judging criteria.

Shannons Wheels, now in its 35th year, will be held at the Treasury Car Park, Langton Crescent, Parkes, on Sunday 12th March 2017. It will be open to the public from 10.00am to 3.00pm.

Entry is by gold coin donation with proceeds going to Technical Aid to the Disabled (TADACT) who design and adapt equipment for people with disabilities.

The Ford Motor Company will be the featured display to commemorate the more than a century the company has been involved in the Australian motor industry. The first Model T motor car was imported in 1904 and started assembling and manufacturing in 1925. Production ceased in October 2016.

The Shannons Wheels vehicle display is presented by the Council of ACT Motor Clubs and expects more than 800 veteran, vintage, classic, historic and exotic cars, commercials and motor bikes to be on display from the 75 plus vehicle clubs affiliated with the Council in Canberra and the region.
